20% Off *ALL*

INSPIRA™
and
HUSQVARNA VIKING®
Accessories & Notions!

SEPTEMBER 15 - 30

PRO TIP

Sewing machine needles don't last forever. So, how do you know when it's time to change your needle? Change it if your needle is broken, bowed, or bent—otherwise, sewing can potentially damage your fabric beyond repair. For optimum performance, change your needle every 6-8 hours of sewing.

Valid at participating, authorized HUSQVARNA VIKING® retailers in USA. No prior purchases.
