

KEEPING THE WORLD SEWING™ with Appliqué

The **APPLIQUÉ STITCHES MENU** offers a variety of stitches that can be used to appliqué fabric onto a quilt, garment or home décor, the possibilities are endless.

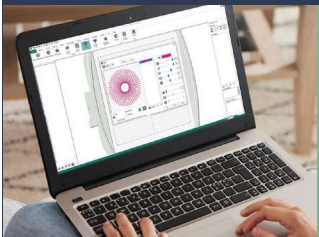

Also, discover the **EXCLUSIVE PATENTED APPLIQUÉ STITCHES** that add dimensional elements to your projects. Every stitch is unique and will give different decorative effects depending on the thread and fabric used.

In embroidery mode, easily create your own decorative appliqués with the **DESIGN APPLIQUÉ FEATURE!** You can choose different shapes, letters and numbers, plus there are 3 appliqué stitch options that allow you to personalize your appliqué. This feature is available in most* of our DESIGNER™ Line machine models.

Tip: Use the built-in JoyOS ADVISOR™ feature for instructions on how to create an appliqué!*

Add dimension and texture or patch over holes! Whichever is your purpose, let the designer in you flourish through the various artforms of Appliqué!
